William Lehman Elementary (2891)

READING: Students will be assigned daily teacher assigned i-Ready lessons that will address student needs. They will also have FSA lessons (Countdown to FSA Packet & Coach Success Book) that I will assign. Each week, I will let you know the daily expectations. Please feel free to contact me with any questions and/or concerns.

ART: How to access information for the Kidsites.com: Students can create an account.

ART ASSIGNMENT week 1: On computer paper, create a drawing of a beach scene using ONLY cool colors.

Remember cool colors are blue, green and violet or purple.

Things to remember: They can have different values (how light and dark the color is, so you can use light blue and dark blue and all the shades in between, and the same can be done with green and violet). The colors can also be mixed in order to create a new color. For example, the blue and the green can be mixed to create a blue-green or aqua color and so on.

Remember to also color the entire paper.

PHYSICAL EDUCATION: Additional work:

3 set of 10 pushups

3 set of 10 sit-ups

Leg stretches ex (right leg one)

Jump Rope (running in place) 3 set of one minute without stopping 30sec rest in between
