eLearning Toolbox Online Summer Resources

Miami-Dade County Public Schools is offering FREE, digital programs for students in grades PreK-12 during the summer break to avoid the summer slide and to promote at-home learning using technology.

- The interactive and engaging digital tools are available through the Student Portal and are meant to provide enrichment activities as well as opportunities for remediation and acceleration.

PreK-12 Students:

- Students will be able to access the appropriate digital resources based on their grade level during the 2020-2021 school year.
- The assortment of tools include district-licensed supplemental software:

(e.g., Discovery Education, i-Ready, myON, Reading Plus, Reflex, etc.) and a multitude of open resources (e.g., BrainPOP, Duolingo, Math Nation, Nearpod, Newsela, TypingTest, etc.).

Free access to audiobooks
and EBooks for K-5th grade
