

## Back to School Supply List –Art 2022-2023

-Pencil and Eraser

-Pencil Sharpener

-3 Permanent black markers - FINE or ULTRAFINE - Sharpie is the most common brand, but it can be any other PERMANENT BLACK marker.

-Crayons

-Regular Markers (Cone Tip preferred, not a must). Cone tip markers are the thick markers with a triangular or ice cream cone-like tip. They can be used to make thin as well as thick lines, so it is like having two markers in one.

Please do NOT bring coloring pencils unless you have your own pencil sharpener.

These supplies can be placed in an old pencil bag/pouch or even a large, sturdy zip-lock. Recycling is fine.
